THE BRIGHT AND THE DARK SIDE
OF "WESTERN CIVILIZATION"
TODAY

THE RESULTS OF "PROGRESS"

First, the world's highest standard of living—more food, more shelter, more clothing, more necessities, and more comforts and luxuries than the world has ever known before.

Second, longer life for hundreds of millions of human beings. People in industrial countries of the West, for example, live, on the average about 50 years; those of undeveloped countries such as the Far East, live only about half that long.

Third, shorter hours of labor, than people have hitherto been compelled to work—eight to nine hours a day instead of twelve to fourteen hours a day.

Fourth, much fatigue and pain already eliminated from the world because of the machine production of food, shelter and clothing.

Fifth, new "lively arts," a great variety of activities for the increased leisure of the common man in the industrial nations.

Sixth, increasing enlightenment and widening education, knowledge is taking the place of myth and legend.

Seventh, world shaking experiments in government. Already it is possible for a considerable proportion of the population of industrial countries to share in government. Paper guarantees (written constitutions) of civil liberties are carried into practice in many countries.

Eighth, human slavery—that is, the ownership of bodies—eliminated from modern civilization.

Ninth, the beginnings of international co-operation.

First, one-third of the people of the world are still ruled by the armed force of dictators. In nearly a score of countries government is still dominated by the one-man idea. In every continent some government has become as absolute as that of Louis XIV. Freedom of speech and other civil rights are denied Russia, Italy, Germany, China, India, Japan and Latin America.

Second, the world is "armed to the teeth." Instead of disarming at the close of the World War, the leading nations of both East and West have more men under arms today than in 1919. More is spent annually for arms and navies than was spent two decades ago.

Third, the specter of mass unemployment confronts every industrial nation in the world. It was estimated that in 1931 not less than 15,000,000 and possibly 20,000,000 adult workers were walking the streets of their communities searching for jobs. Furthermore, new machines are constantly being produced, costing more and more human beings from jobs. Technological unemployment.

Fourth, suspicion rules Europe. Germany demands her reparations. The credit of nations totters. Business men in various countries close their factories declining to invest money or to order goods as long as the panic condition of trade continues.

Fifth, Asia is in revolt against the West. Not only is there unrest in a score of Western countries, but also in Asia, there is a gigantic uprising against European domination. Every where, from Japan to Egypt, the Orient is seething with revolt.

THE STANDARD REQUESTS THAT ALL CORRESPONDENTS HAVE THEIR COPY IN NOT LATER THAN WEDNESDAY TO ENSURE PUBLICATION IN THE WEEK'S ISSUE.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning Rarin' to go

The liver and bile are the glands of health that run your bowels daily. If they are not flowing freely, your food cannot digest. It just drops in the bowels, gas builds up your stomach. You get constipated. Humid poisons go into the body, and you feel sour, sick and the wind comes back. You are kept at the stove. You need something that will work on the liver as well. It takes three drops, old Carter's Little Liver Pills to get those two portions of bile flowing freely and make you make the bile flow freely. They do the work of a solvent but they are gentle to the system. Ask for Carter's Little Liver Pills by name. Absolutely reliable, nothing else. Etc.

ARDENODE

Mr. and Mrs. G. Dawson celebrated one evening last week for Mr. and Mrs. Alice Watson and Marianne, also Mr. and Mrs. C. O. Dawson, Clifford and Margaret, about Mr. N. Ellis, the occasion being to celebrate 27th anniversary of their wedding day. Let us wish Mr. and Mrs. Dawson may spend many more anniversaries and able to enjoy each other's company.

Mr. and Mrs. H. Cain who recently removed from this district to Ramsey are rejoicing over the birth of a son.

Mr. Roy Compton spent a few days in Calgary last week. Getting his Chev. all tuned up. We hear Roy is going places very shortly.

Mr. G. Dawson spent Friday last in the city.

Miss Dorothy Cain of Ramsey is spending a few days with her aunt and uncle Mr. and Mrs. Harry Cain.

Mr. and Mrs. V. Marshall of Chelmsford spent Sunday visiting at the home of Mr. and Mrs. D. S. Brook. Mrs. Brook is under the weather, with a severe cold and we hope she will soon recover.

Mr. E. C. Chandler of Beiseker was visiting in the district Saturday last.

Miss Dorothy McGregor of Calgary is spending a few days with Miss Beth Lytle.

Mr. L. Hilton was a Calgary visitor Friday of last week.

Out of Canada's little known but valuable deposits of phosphate rock located near Buckingham, Que. chemists have produced a cleaning compound which few households do not number among their everyday requirements. The compound, trisodium phosphate, forms the basis of numerous proprietary washing preparations on the market. It is an excellent example of what the chemist has done to help out around the house and to assist in the sterilization of bottles, cans, etc. in various industries. The C-I-L Oval.

**3,000 MILES OF HIGHWAY
BANDED IN THREE HOURS**

As part of the great system which enables the Province of Ontario to keep almost the entire network of provincial highways open throughout the winter Ontario highway engineers have built up an organization capable of sanding 3,000 miles of highway within three hours after the need arises. Fast trucks, mechanical spreaders and conveniently located piles of abrasives have made this wonderfully efficient feat an accomplished fact. The materials used to make winter driving safe are sand, clinkers, and stone chips, mixed with common salt. The salt prevents the stock piles from freezing and when the sand is scattered on the highway, the salt melts the ice thereby embedding the abrasives in the slippery surface. Without the salt the sand and clinkers would be dissipated by wind and traffic.

The C.M. Oval.

CARSELAND

The annual meeting of the P. H. Club was held at the home of Mrs. Graham Forbes on Wednesday last, when election of officers for the coming year took place. Officers elected were: President Mrs. C. Fryer, Vice-President Mrs. E. Stinson, Secretary Miss Lena Dick, Treasurer Mrs. N. March, Mrs. Hoover and Mrs. Hilliard were appointed a programme committee for the year.

The local hockey team have played two games with Mossleigh, and were at the losing end in both games. No more games on the Mossleigh team when they are on the ice.

We regret to report a number of cases of sickness around the district and trust that in each case the care and attention provided will be successful in bringing about recovery.

Mr. George Larsen suffered a stroke on Saturday. Some improvement is reported as we write.

Miss Mary Rydberg has suffered a nervous breakdown, following a somewhat lengthy sickness and is in a Calgary hospital for treatment.

Mr. Leland Phillips is in a Calgary hospital taking treatment for his acute stomach disorder and neuritis.

Jimmy Mutch is recovering from a severe cold which took him to the borderland of pneumonia.

Mr. Angus Watson of Chirnash, who has been confined to his bed for two weeks, is still quite sick. Dr. Giffen is in attendance on Mr. Watson and Mr. Watson.

Mrs. Walter Wilde has been indisposed but is on the way to recovery.

Mrs. J. Allan has been sick for some little time and successful treatment has been hindered by an intervening cold.

Again we wish them all speedy return to health.

Mrs. T. R. Field has been spending the holiday season with her grand-daughter, Mrs. Bert Stitt of Bascom.

Mrs. E. Gougon and Boreen and Donna were up over New Year's visiting at the Berquist home.

CHEADLE

We are glad to report that Mrs. Kirtan is progressing satisfactorily and hopes to be home soon.

The Sports Club met at the home of Mr. and Mrs. D. G. Keen Monday last. After a brief business meeting, cards and games were enjoyed. At midnight, when a delicious lunch was served, after which all departed happily.

Mr. P. A. Ramer is ill but we hope he will soon be up and around again.

Our hockey team is doing quite well. On January 3rd they defeated Lynda and on the 5th they won over Lynda by a score of 3-0. The same night they met a setback in Landon, 4-0, and Sunday the Glencairn boys won by a score of 2-2. MacDonald in goal was responsible for Glencairn's win, as he played an outstanding game.

Orval Payne says he knows people whom he would far sooner have than his arm than J. R. Back. Incidentally he would not get 5 minutes for

starting a fight either.

The Ladies Club are starting a new bridge series on January 12th.

Don't forget the Sports Club dance Friday, January 22. Prizes \$20, \$10, and 10 prizes of \$1 each. Music by L. Davis orchestra. Get a ticket and be a lucky winner and come to a real live dance.

Mr. Wood is sporting a new V-8 these days.

Mr. D. Smyth has returned from Winnipeg after a most enjoyable holiday.

Mrs. Walter Miner left last week to visit her parents in New Brunswick.

ROCKYFORD

The Curies are very busy most evenings keeping the ice hot. They are getting in trim for the big bonspiel. The Square draw is now being played.

We are very sorry to hear of Mrs. T. Donsted's illness. We wish for Mrs. Donsted a speedy recovery.

Mrs. T. Hirt was the first hostess of the New Year to the Ladies Aid. The following committees for the year were appointed by the president, Flowers and Sick, Mrs. F. Chapman and Mrs. Hovick. Mace, Mrs. Bradwell, Fancy Work, Madam McLean, Gibson and C. A. Smith. Novelties, Mrs. Hirt and Mrs. C. Short, Plain Sewing, Mrs. G. Hovick, Fish Pond, Mrs. E. Smith. It was decided at this meeting to change the meeting day on Friday back again to Thursdays. A very pleasant social hour followed the meeting. The next meeting will be held on Thursday, January 21st. The place has not been decided upon.

Mr. and Mrs. Ed. Ross spent Friday and Saturday in Calgary.

Mr. and Mrs. W. Wagner and young daughter were visitors to Rockyford on Sunday at the home of Mr. and Mrs. Geo. Muehlenber.

GLENCAIRN

We wish to congratulate Roy Downey on winning the Agriculture Scholarship entitling him to a week at Orlia, A. C. next summer.

The girls club met at the home of Miss Florence Downey on Wednesday, January 6th. Two tables of whist were played, resulting in Mrs. Wm. Eby having the high score and Miss Jean Groves carrying off the console.

Roy Downey was rushed to the General Hospital in Calgary Wednesday, January 6th where he was operated on for appendicitis. We are glad to report Roy is progressing favorably and will soon be home again.

On Sunday the Glencairn hockey team defeated Cheshire 3-2. Art Payne scored twice for the victors, and Harold Downey scored 3 for Glencairn.

PATRONIZE OUR ADVERTISERS IT WILL PAY YOU HOW ABOUT YOUR SUBSCRIPTION?

Can You afford to Use More ELECTRICITY?

If at present you are a user of Electricity you know that you could not afford to be without it. But, if you use it only sparingly, you are not taking full advantage of the services which are available.

Even at the basic rate Electricity is cheap; but once enough energy has been used to satisfy your minimum requirements a FEW ADDITIONAL CENTS will bring you MANY ADDITIONAL HOURS of convenience in the use of an Electric Washer, Vacuum Cleaner or Refrigerator, and of comfort and enjoyment in the use of a good Reading Lamp or the operation of your Radio.

Where can you obtain greater value for so small an added cost as in the full use of your Electric Appliances? What small investment in your home will return you greater, or even equal dividends in comfort and leisure?

The more Electricity you use, the less it costs.

Our local representative will be glad to show you why.
